GROWING THROUGH
EXPRESSION

Every moment is a learning moment at Nature's Classroom Institute. We motivate students in ways they don't even realize they are learning. Instead of looking out the window at nature ~ we teach there!

Our goal is to incorporate the whole environment, teaching through the elements of the world around us.

Our classes are engaging through every step of the program and include your classroom curriculum to keep it relevant to your class goals.

Bruceville, Texas

Our site in Bruceville is located 90 miles north of Austin, Texas, sitting on over 300 acres of beautiful, spacious land. The property includes a fully functioning EcoVillage adjacent to amazing woods, wetlands and a vegetable garden.
