## Getting Ready for NCI!

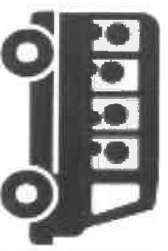

Feelings, Thoughts, Worries?

**Thursday**  
What ingredients of  
Teamwork did you use in  
field group?

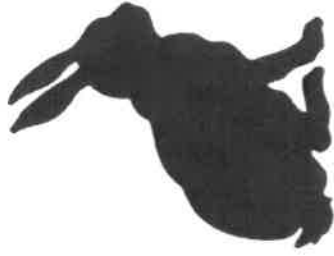

What did you experience in our large group  
activity today?

The bus ride...

**Wednesday**

What was the best part of your day so far?

Name a few of the things  
you learned during  
your day?

**Monday**

Who is in your field group, what did you  
learn about them?

What was the best part of your class  
today?

**Tuesday**  
What did you learn in field group today?

Which class was your favorite and why?

**To know the dark...**  
To go in the dark with light  
Is to know the light. To know the dark, go dark.  
Go without sight, and find that the dark, too,  
blooms and sings, And is

traveled by  
dark feet and dark wings
